

School of Metaphysics Sustainability Festival

Do you live a sustainable life? Would you like to learn how to live a longer, healthier, more prosperous, and environmentally healthy life? It takes small and easy changes. The School of Metaphysics will be hosting a Sustainability Festival to teach you how to become healthier and at the same time more environmentally friendly, such as we will give tours of our aquaponics garden, some electric vehicles, and enjoying some healthy snacks. We will also be featuring a variety of solutions for you to create a sustainable life.

Come join us Saturday, August 23rd

Open: 10:00am to 4:00pm

Cost: \$10.00 per person
