Tracey McFadden

Greetings EV Enthusiasts,

August Meeting: Our speaker for our monthly meeting on Friday, August 21 is Bruce Jones, Secretary of the FVEAA. Bruce will share his experiences driving cross-country in his Chevy Bolt during a blizzard.

July Meeting Recap: Last month, we enjoyed an engaging presentation by Tom Jones, Vice President of Site Development at EVgo. Tom shared his experiences at EVgo and his perspective as an EV driver. His presentation generated an interesting discussion and many thoughtful questions from attendees.

EV 101 Presentation: On August 13th, Kathy and I presented an updated version of our EV 101 presentation in East Troy, Wisconsin. About 20 enthusiastic attendees asked insightful questions and showed strong interest in switching to electric. We plugged the FVEAA and encouraged everyone to join our upcoming meetings in person or via Zoom.

Sunday August 23rd– Geneva Concours d'Elegance Auto Show: We invite all FVEAA members to join us on Sunday, August 23 at the Geneva Concours d'Elegance Auto Show, one of the largest and most impressive auto shows in the Midwest!

We hope you'll not only bring your EV to display, but also help spread the word about the FVEAA. Even if you're not displaying a vehicle, it's a fantastic opportunity to stroll through the show and see hundreds of unique and classic automobiles. FVEAA members will be gathering in the club car area.

The \$30 registration fee benefits the LivingWell Cancer Resource Center, so your participation also supports a great cause.

BYLAW UPDATES FOR MEMBER REVIEW

- TO BE VOTED ON SEPTEMBER 18, 2026

The FVEAA Bylaws are outdated and need updating. The last update, Amendment 2 was in 2008. The new updates have been researched by the Board of Directors and on Friday 8/14/2026 the Board reviewed them and approved them for distribution to the members for review. So the proposed updates are being distributed to members here in this newsletter prior to the general meeting on 8/21/2026. At the meeting Mike Moravek will review the updates with discussion among the members. This is all in accordance with the prescribed process listed in the Bylaws. The members have until the following monthly meeting September 18, 2026 to review them, at which time a vote will be held among the members. If $\frac{2}{3}$ of members vote yes, then Amendment 3 updates to the Bylaws will be approved.

Here is an overall summary to provide a rough overview of the changes being made. This is not the language itself. **MEMBERS: PLEASE review the exact Bylaw language being proposed at the bottom of this newsletter.**

Here is an **informal** Summary of what is changing with proposed Amendment 3

ARTICLE I: OFFICERS AND BOARD OF DIRECTORS

New Section F. DIRECTOR AND OFFICER LIABILITY.

provides liability protection saying in effect, "A volunteer director/officer generally cannot be held personally liable for certain conduct."

New Section G. INDEMNIFICATION OF OFFICERS AND DIRECTORS

provides indemnification saying in effect, "If a director/officer is sued or faces a covered legal proceeding, the Corporation may or must pay the person's legal expenses and certain other costs, subject to the conditions in the provision."

So Section F protects the individual from liability, while G can require or allow the organization to financially protect the individual when they have to defend themselves.

Liability and indemnification provisions are critical in current day corporate Bylaws.

New Section H. NON-DISCRIMINATION adding a non-discrimination statement

ARTICLE II: COMMITTEES updates gender references from Chairmen to Chairperson

ARTICLE III: MEETINGS - members will "aim to" be notified of meetings no less than 4 days before the meeting. This has always been the goal but there are no repercussions if the notice is late.

ARTICLE V: MEMBERSHIP - updates a gender reference from "He" to "the member"

ARTICLES VI: CORPORATION PROPERTY AND FUNDS

This section is being removed, as it is out of date. There used to be a requirement for the President to keep track of a variety of club equipment that would be checked out by members who were building electric vehicles from scratch. Like expensive crimping tools, cutters, test equipment in a tool library. The club does not have the inventory or library anymore or the need for tracking those kinds of items. Members who are building electric vehicles however can always share their tools among each other on an informal basis and track it themselves. Banners and signs are now the main items that the President and BOD track from event to event and year to year.

Members PLEASE review the proposed Bylaw language shown at the bottom of this newsletter prior to the September 19, 2026 meeting where a vote will be held.

Encouraging Our Membership To Grow and Some History

Ted Lowe

We live in a large metro area with 8 million people and EV adoption is growing, so we should be able to grow the FVEAA! **Please invite your friends, neighbors, family, colleagues**, etc. to FVEAA meetings and Events. Volunteer to attend Events on behalf of the FVEAA (with or without an EV)! Your ideas on how to help grow the FVEAA are welcome at any time, thanks! Howard Hansen had a **great idea**... giving an FVEAA membership as a gift!

Our membership count peaked at 255 members in October 2008 when gas was nearing \$5 per gallon! We were also attending lots of invitational Events with our converted EVs. The first Tesla Roadster was just coming into being. **Let's get out there and grow the FVEAA!!!**

G. INDEMNIFICATION OF OFFICERS AND DIRECTORS

a. Unless the Board of Directors (by a majority vote not including the vote of a person to be indemnified) determines that it would not be in the best interest of the Corporation, the Corporation shall indemnify any person who is made a party, or is threatened to be made a party, to any threatened or pending action, suit or proceeding, whether civil, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that they are or were a director or officer of the Corporation, against expenses (including attorneys' fees), judgments, and amounts paid in a settlement approved by the Board of Directors (by a majority vote not including the vote of a person to be indemnified), actually and reasonably incurred by such person in connection with the defense of such threat, action, suit or proceeding, if the Board of Directors (by a majority vote not including the vote of a person to be indemnified) determines that (i) such person acted reasonably and in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation.
